

REMARKS

The foregoing amendments to the claims are presented in order to eliminate improper multiple dependent claims, and to put the language of the claims in a form more usual for U.S. practice. New claim 7 is presented in order to reintroduce the canceled subject matter of claim 3. The amendment to the specification is presented in order to cross reference the International application, and to amend the Abstract of the Disclosure to conform with M.P.E.P. §608.01(b).

It is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,
